

Have you ever felt like you would like more out of life? Wouldn't it be great if you could help people, really make a difference, and get rich doing it? You may be a prime candidate for Hoskin Medical College!

Ask yourself, are you good with a thermometer? Are you good with a knife? Do waiters compliment you on how you cut your steak at restaurants? You may have hidden talent.

It would be a waste and disservice to your fellow humankind to let these dormant talents fall by the wayside. To see if you really have what it takes, just complete the short quiz below and send it in with a \$500.00 application fee. We'll do the rest.
